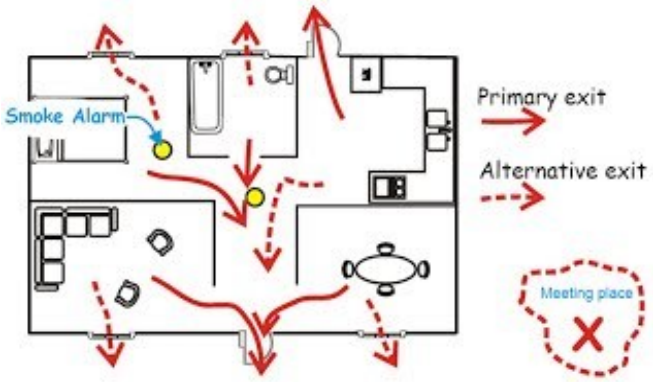
EXIT DRILLS IN THE HOME

PLAN YOUR ESCAPE

- Draw a floor plan of your home. Show two (2) ways out of each room. Discuss escape routes with everyone in your home.
- Agree on a meeting place outside where everyone will gather once you



Create a floor plan of your home using the space below. Show two (2) ways out of each room of your house in case of a fire. When finished, hang your drawing up in the house where everyone can see it.

Don't forget to practice a home fire drill once a year.
